

22.03.2017 - 15:45 to 24.03.2017 - 17:00

**On 22-24 March 2017 the UBC Inclusive and Healthy Cities Commission organizes open workshops in Trelleborg, Sweden. All UBC Member Cities and Commissions are welcome to participate in the event.**

The aim of the workshops is to come up with an idea of one or more common projects centred around social challenges that the Baltic cities and communities are currently facing. During the event we will share ideas and identify important challenges, focusing on public health and social affairs in particular. Expected output is a draft of joint project activities to ensure sustainable development of communities and raise the quality of life around the Baltic Sea. Please prepare 2-3 ideas ahead of the meeting.

**Draft agenda:**

Day 1 (March 22nd)

- arrival
- opening meeting in the afternoon (getting to know each other, warm-up)

Day 2 (March 23rd)

- workshops organised in the form of Service Design

Day 3 (March 24th)

- review of the meeting results
- setting up a timeline for further activities (including raising funds)
- farewell and departure in the afternoon
