“Intergenerational City - Challenges in Demography and Opportunities for Sustainable Development” - Conference combined with the UBC Inclusive and Healthy Cities Commission annual meeting

Conference on intergenerational local policies combined with the UBC Inclusive and Healthy Cities Commission annual meeting will take place in Gdynia, Poland, 9-10 October 2017. The event that we are inviting you to is a chance to collectively seek answers how to build a city open to citizens of all ages – a city that recognizes the needs, potential and prospects of people creating a local community at every stage of their life. It will be also a time to present current undertakings implemented within the Gdynia Intergenerational Dialogue framework, and to exchange knowledge and experience.
