Workshops:

1. City Marketing Meets Culture: For several years now, the Rostock Kunsthalle (Rostock Hall of Arts) has been showing special exhibitions by GDR artists. Currently these are Willi Sitte and Fritz Cremer. In the workshop, we would like to discuss how historically complicated topics can be successfully presented to the citizens.

2. Business Marketing: The workshop will present a market analysis of IHK Rostock (Rostock Chamber of Commerce) products regarding different fields, such as location promotion, vocational training opportunities, legal counselling and lobbying among others. Further, the current instruments in these fields by key examples of the marketing tools will be presented.

3. Brand Development in Social Media: This workshop is about building trust and credibility for your organization in social media. We will talk about how you can find a brand-like identity and develop brand positioning. You will learn the ways to win the attention of your audience and evoke the emotions people can resonate with, as well as where to find content ideas that can benefit your brand.
