

Union of the Baltic Cities
Conference on the Impact of the European Refugee Crisis in Baltic Cities
14-16 March 2016 Rostock, Germany

14.03.2016 - 18:00 to 16.03.2016 - 11:00

INVITATION

The recent weeks are holding us under constant tension because the conflicts in the Middle East and Africa reached the Baltic Sea region. Hundreds of thousands, even millions of persons from those regions are trying to get away from imminent danger and pain looking for shelter, a safe stay and opportunities in the Baltic Sea Region. The cities are mostly faced with this tremendous challenge. Housing, clothing, food, medical care, schooling, language teaching, and employment for hundreds or even thousands of persons - all this has to be provided and mastered within shortest time, in fact, instantly.

The aim of the *Impact of the European Refugees Crisis in the Cities of the Baltic Sea Region* conference is to exchange experiences and to work out the best solutions to face this tremendous challenge on the cities level.
