

Application Procedural Formalities

Guidelines for application process: Application form has been made 'on-line'

1. Please open the ITEC website www.itecgoi.in through Google. There go and click '**Apply for ITEC/SCAAP Course**'. This will open the Application Form.
2. ITEC has uploaded details of courses for the year 2017-2018
3. To start with, please select your country under 'Nationality'.
4. In the box '**Area of Study**' select '**SME/RURAL DEVELOPMENT COURSES**' as EDI programmes fall under this category.
5. Then under '**Name of Course**', select your choice of programme i.e. "**Promoting Innovations & Entrepreneurship through Incubation**".
6. Under '**Name of Institute**', please select ENTREPRENEURSHIP DEVELOPMENT INSTITUTE OF INDIA.
7. Please go through the Step-wise guidance carefully.

Likewise, you have to fill-up all the boxes without missing any one of them.

We have already uploaded the course details and application process on our website as well. We request you to check course details in our website at www.ediindia.org under 'International Programmes 2017-2018'. Here, you can also find the details on fellowship support available.
