Kristiansand, 15 January 2019

Dear friends of Gdansk and Poland,

It was both very sad and shocking to learn about the stabbing of Mayor Adamowicz in Gdansk last Sunday. We are deeply saddened by the loss of Mayor Adamowicz. He will be truly missed! This horrible act was also an attack on democracy. Our thoughts are now with Poland and the people of Gdansk.

Warm greetings from,

Harald Furre
Mayor

Jørgen H. Kristiansen
