

PARTICIPATION DAY

Monday 4th June, 8:30 - 12:30, Tallinn

The aim of the event is to **attract local and regional levels** to take part in EUSBSR cooperation and present concrete project proposals and concepts.

This half-day prior to the Annual Forum (<https://www.balticsea-region-strategy.eu/9th-annual-forum/programme>) should be understood as a **market place where stakeholders can present their ideas**, get feedback and guidance from the policy community enabling new stakeholders to take part in the implementation of the Strategy. Our aim is to reduce the step into the Strategy, making our guiding principle with **multi-level governance and cross-sectorial cooperation** a reality.

This year's Participation Day will focus on three themes:

- **Sustainable consumption and production** (PA Bioeconomy)
- **Integration of migrants** (PA Education)
- **Energy efficiency** (PA Energy)

We invite representatives of EUSBSR stakeholders, such as local and regional authorities, civil society organisations, academia, business and media, to this Tallinn Participation Day. Welcome to spread the attached information leaflet to your stakeholders and contacts.

Please expressing your interest to participate latest by 4 May 2018 here:
