

Invitation

You are kindly welcome to participate in a study visit to Hamburg. The study visit will take place from the **26th to 28th of April in Hamburg.**

Aim of the study visit is to accumulate knowledge on practices that promote effective work of integration of young people at risk of becoming early school leavers or NEET, and work with inclusion of newly arrived migrants.

Please find the agenda of study visit on next page.

Please notify us by **31st of March** if you would like to participate in the study. If you are positive about your participation, please fill this form to provide us with some practical information about your trip: <https://goo.gl/forms/UxXISv5daQr5iPbD3>

The study visit is tailored for those **members of the Flagship “School to Work”** who implement activities for newly arrived migrants to include them in education process and who implement activities to prevent early school leaving.

Travelling costs should be covered by participants. You are welcome to address the Flagship Leader if assistance is required.

Yours,

Swedish Association of Local Authorities and Regions
Leader of the Flagship “School to Work”
