Subject: Baltic Cities Bulletin "Education through Sport"

Dear Mr. Zaboklicki,

Thank you for informing us about the activities of the Baltic Cities on "Education through Sport", that has the objective to sensitize the European Public to the importance of sport as an educational tool. Your attached current Baltic Cities bulletin gives us a broad picture of important activities on the inherent values of sport.

I hope your activities will continue, and the cooperation with Commission have a significant impact on the development of further activities.

Yours sincerely

Fabio Colasanti
