

KARLSTADS KOMMUN

Save the date!

**Welcome to
Inclusive and Healthy Cities commission meeting
in Karlstad Sweden, 30 - 31 of October 2018**

Theme for the meeting/workshop:

Inclusive and Healthy Cities commission and the Global Goals 2030

How can we use the Global Goals for sustainable development in our commission?

How can our work in the Commission contribute to achieving the goals?

In 2015, world leaders agreed to 17 goals for a better world by 2030. These goals have the power to end poverty, fight inequality and stop climate change. You can find out more about the Global Goals here: <https://www.globalgoals.org/>
