partners of the EU TENTacle project

**“Capitalising on TEN-T core network corridors for prosperity,
growth and cohesion”**

are pleased to invite to a meeting with
EU coordinators for the TEN-T core network corridors:

Mr. Prof. Kurt Bodewig

coordinator of the Baltic-Adriatic Corridor

Mr. Brian Simpson

coordinator of Motorways of the Sea

The leading theme of the meeting will be to achieve the greatest possible benefits: social, economic and environmental, resulting from the initiative to implement the infrastructure of the Baltic-Adriatic corridor in Gdynia and Motorway of the Sea Gdynia-Karlskrona.

The meeting will be attended by the most important stakeholders and users of the aforementioned communication routes, connected by ferry terminals in Gdynia and Karlskrona.

The subject of the debate with EU coordinators will be the assessment of the development potential of the Baltic-Adriatic Corridor extended by Motorway of the Sea Gdynia-Karlskrona to Sweden.

Place of the meeting:

Emigration Museum
1 Polska St. Gdynia

Date and time:

June 11, 2018
hours: 14.30-18.30

The meeting agenda will be sent out soon.
