

CITIZENS FOR SAFETY

Building urban safety through
citizens participation

CITIZENS FOR SAFETY – FRAME OF THE PROJECT

CITIZENS FOR SAFETY – FRAME OF THE PROJECT

Action: Enhance a joint urban safety and prevention approach in the Baltic Sea region by:

- rising awareness
- enhancing prevention
- transnational cooperation

CITIZENS FOR SAFETY – THE FLAGSHIP PROJECT

Effective learning and exchanging best practices on urban safety through a local city network

The network fosters urban safety exchanges throughout Baltic Sea region on locally-developed know-how strategies, shares experiences, analyzes functions and activities of municipalities and develops new safety management in the cities more oriented towards the needs of local communities.

Lead: Union of the Baltic Cities Commission on Local Safety.
