

Local Safety & Public Order Task Force Action Plan for period of 2010 – 2011

The overall Aims and Goals of the Task Force:

In the area of local safety and public order many cities around BSR have similar problems. Providing safety and maintaining public order are primary goals for all Baltic municipalities. The task force is created in order to exchange information and experiences in the field of safety and local order and implement good examples/solutions between cities. This would increase the level of safety within our region.

Concrete goals for the year 2010

- To organize first meeting of working group in order to take common decision to establish Task Force within UBC (conducted 29 March 2010 in Gdansk, Poland)
- Organize second meeting dedicated for approval and implementing detailed action plan, election of Chairman and V-ce Chairmen (Riga, October 2010)
- Start to work on two the most important projects concerning safety (to be decided during meeting in Riga)

General Action Plan for 2011

- Organizing two meetings of Task Force (places subject TBD)
- Summarize two started projects (in the first part of year)
- Initiation of one-two new projects (subject TBD by Task Force during second meeting in 2011)
- Sum up and promotion of two projects started in 2010
