UBC Youthful Cities Commission's meeting Espoo, 5th – 7th November

UBC Youthful Cities Commission and the city of Espoo warmly welcome youth policy officers, youth workers and youth leaders from UBC member cities to its face-to-face meeting that will take place on 5th – 7th November in Espoo, Finland.

During the last YCC meeting in Gdansk, the idea of the UBC Youth Board was broadly discussed. During this meeting, we will go into details of the Youth Board. We will also take a close look at different practices and projects of Youthservices in Espoo while also exploring the city of Espoo.

Two full working days are planned on 6th and 7th November. As usual, we encourage the city officials to bring a youth representative with them to the Commission's events.

Please register until 15th October here: <https://link.webropol.com/s/ubc-espoo2024>
