YUPAD DEVELOPMENT

What's the Plan?

OUTPUTS

YUPAD Curricula for Educators and Policymakers

guide for ED and PM
to understand youth
participatory
budgets.

Introduction of
promising practices
and new tools.

YUPAD Calculator Development:

a tailored platform
that gathers input
from young people
on policy priorities,
expected outcomes
and their
preferences for
concrete projects in
a city.

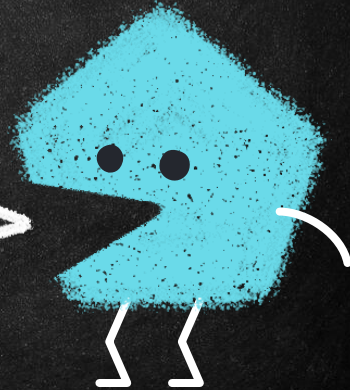

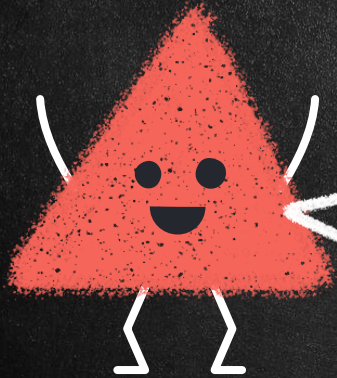

YUPAD Bees Methodology Development:

creation of the
system that provides
the methodology for
the development of
concrete projects or
initiatives suggested
within the calculator.

4.

CAPACITY BUILDING
FOR EDUCATORS AND
LOCAL AUTHORITIES
