Re: Board Membership proposal from Latvia

Dear Sir/Madam,

After formal consultations with the Latvian member cities of the Union of the Baltic Cities (UBC) in Liepāja's capacity as a National Coordinator of Latvia, we would like to inform that there was an agreement to nominate Liepāja and Riga as Latvian cities to represent Latvia on the UBC Board for the next term.

Please be informed that Liepāja will be represented by Mr Vilnis Vitkovskis, member of the Liepāja City Council.

Whereas Riga will be represented by Ms Linda Ozola, member of the Riga City Council.

The National Coordinator for Latvia will remain Ms Natalja Vecvagare. She will also substitute Mr Vilnis Vitkovskis on Board if deemed necessary.

Chairman of the City Council

Gunars Ansins
