

26.05.2015 - 16:15 to 29.05.2015 - 16:15

Dear friends,

UBC Youthful Cities Commission invites to participate in our next open meeting in Kolding, Denmark. The meeting will be held on 26.-29.5.2015. You will find the invitation letter from the mayor of Kolding, as well as the application form and the program of the meeting in the attachments. The practical information is in the bottom of the attached programme. The main topics of the meeting are non-formal learning and gender equality. For new and fresh ideas we kindly ask all the participant cities to prepare a presentation on "youth projects/actions related to gender equality in your city".

As always the Commission on Youth Issues cannot cover the travel and accommodation costs but all meals, local transportation during the meeting and meeting materials will be provided to all participants.

We kindly ask you to send back the application form the latest on the 30th of April, 2015. Please, forward this mail to the relevant partners.
