

07.09.2021 - 13:00 to 15:00

City of Turku, in collaboration with the UBC Task Force Supporting Youth Employment and Well-Being and School to Work network to prevent early school leaving warmly welcome you to join the second session of a two-part webinar on the topic of school attendance problems (SAPs).

The final webinar to this topic will be organized on **7 September 2021 at 13.00 CET**. The webinars are possible to attend individually and participation to the first session is not required.

In this webinar **Malin Gren Landell**, a psychologist, psychotherapist, researcher, and a renowned author will give us a presentation that addresses what we know and what we need to know more about to deal better with SAPs. Three keys will be addressed, namely; Attention, Attendance data and Assessment. The participants will also hear the story about an international network. After the presentation the attendants will be divided in to break out rooms for discussions.

The webinar is organized in Microsoft Teams and will accommodate 30 first attendees. Please register via this [link](#) [1].

The registration closes on **3 September 2021, 12.00 CET**.
