

08.10.2021 - 13:00 to 14:45

**Welcome to a webinar on *Transnational Mobility for young individuals not in education, employment, or training – Experiences from three European countries, organised by the Swedish Association of Local Authorities and Regions.***

In this English speaking webinar, which is a cooperation between the flagship *School to Work* and the Swedish ESF funded project *Moves*, you will learn more about the experiences from three different European countries working with mobility. What has been successful, challenging and how has the pandemic affected their work?

**Time and date:** October 8, 13:00 – 14:40 (CET)

**Registration:** Please click [here](#) [1] to register for the webinar.

**Last day of registration:** October 6. The link to the webinar will be sent to everyone who has registered.

**Target group:** The webinar is directed towards public officials and representatives of civil society organisations, experts, practitioners and other stakeholders within the areas of education, employment, social work, youth policy and other related areas at local, regional, national and/or European level.

**Agenda:** please see attached.

**What is mobility for NEETs:** Mobility in this context is a method to help young people who are neither working nor studying to leave a negative social context and face new challenges.
