

STEAM Baltic Sea Region:

# KICK-OFF MEETING IN TALLINN

11.-12.2.2020

The aim of this event is to bring together STEAM experts in pre-school, basic education and secondary level education to learn from each other and to strengthen STEAM cooperation in the Baltic Sea Region. Event offers you an opportunity to present your own STEAM activities and future goals, to learn from the best practices of the others, and to plan further steps for the fruitful BSR cooperation in the future.

The event is arranged by City of Tallinn, City of Turku, UBC Task Force Supporting Youth Employment and Well-Being and School to Work network.
