

SEMINAR AND STUDY VISIT

Turku, Finland 1.-2.11.2018

AboNova project, Flagship School to Work and Union of Baltic Cities invite you to seminar and study visit in Turku, Finland.

The programme is free of charge. Travelling and hotel costs are covered by participants.

THURSDAY 1.11.

IN THE SEMINAR you have an opportunity to learn about the integration policies and practices in the Baltic Sea Region.

Moreover, you can discuss with other experts, learn from them, share your own knowledge and create new networks.

Turku Vocational Institute
(Lemminkäisenkatu 14 – 18 B, 20500 Turku)

9.00 Integration Practices and Policies in the Baltic Sea Region

10.00 Workshops in English:

1. *Guidance services for immigrants*

Guidance services are an extremely important part of the integration processes. How can we make them even better, more effective and more inclusive in the future? And how can we do that together?

2. *Sharing and learning: how we can get added value from the BSR cooperation*

The challenges we face in the Baltic Sea Region are the same in many countries. Which are the best ways to seek solutions to these problems together? What are the best ways to disseminate the best solutions? How we can get from cooperation to joint development?
