Environmental project

Baltic Clean Cup

About Clean Games

What are the Clean Games

Ecological game

- Team cleanup competition
- Waste sorting
- 3-4 hours
- 50-200 participants
- 1-3 tons of trash
- Prizes for winners
- Vivid memories for everyone

About Clean Games

Rules

- Get game points for each full trash bag
- Get more points for separately collected recyclable trash
- If you get more points than other teams, you become a winner and get prizes
- Extra points for checking in cleaned areas (with photos and GPS-markers)
- Extra-points for photo-hunting, riddles and other bonus tasks
- Extra-points for artifacts – unusual trash
- Points may be spent for purchase of additional inventory which empower your team: trolley, butterfly net, shovel, rake

CLEAN GAMES

About Clean Games

What for it is needed?

- Game motivates people to clean the area
- Event gives them experience of waste sorting
- Good deed unites people and strengthen the community
- It empowers participants to feel responsibility for their local area

About Clean Games

IT-platform

- Real-time calculated rating of each Clean Games (at the cleangames.org)
- Mobile app (Android/iOS) for quick gathering all the information about trash bags
- Players can see changes of the rating in the app – it motivates them to collect garbage fast and carefully
- With the app players can check into the place they just cleaned with photo and GPS-marker – and get extra points

About Clean Games

- 205 cities in 6 countries
- 408 games
- 630 tons of trash
- 31’526 participants

CLEAN GAMES

Baltic Clean Cup

- Competition with Clean Games rules between all countries in Baltic sea region
- At least one Clean Game in each country
- Common rating of the whole competition is located at cleangames.org
- Every event has branded design of Clean Games: posters, gloves, prizes
- Every organizer gets Clean Games guideline and remote support during all the organizing process
- Recommended period for holding the event – September 2019

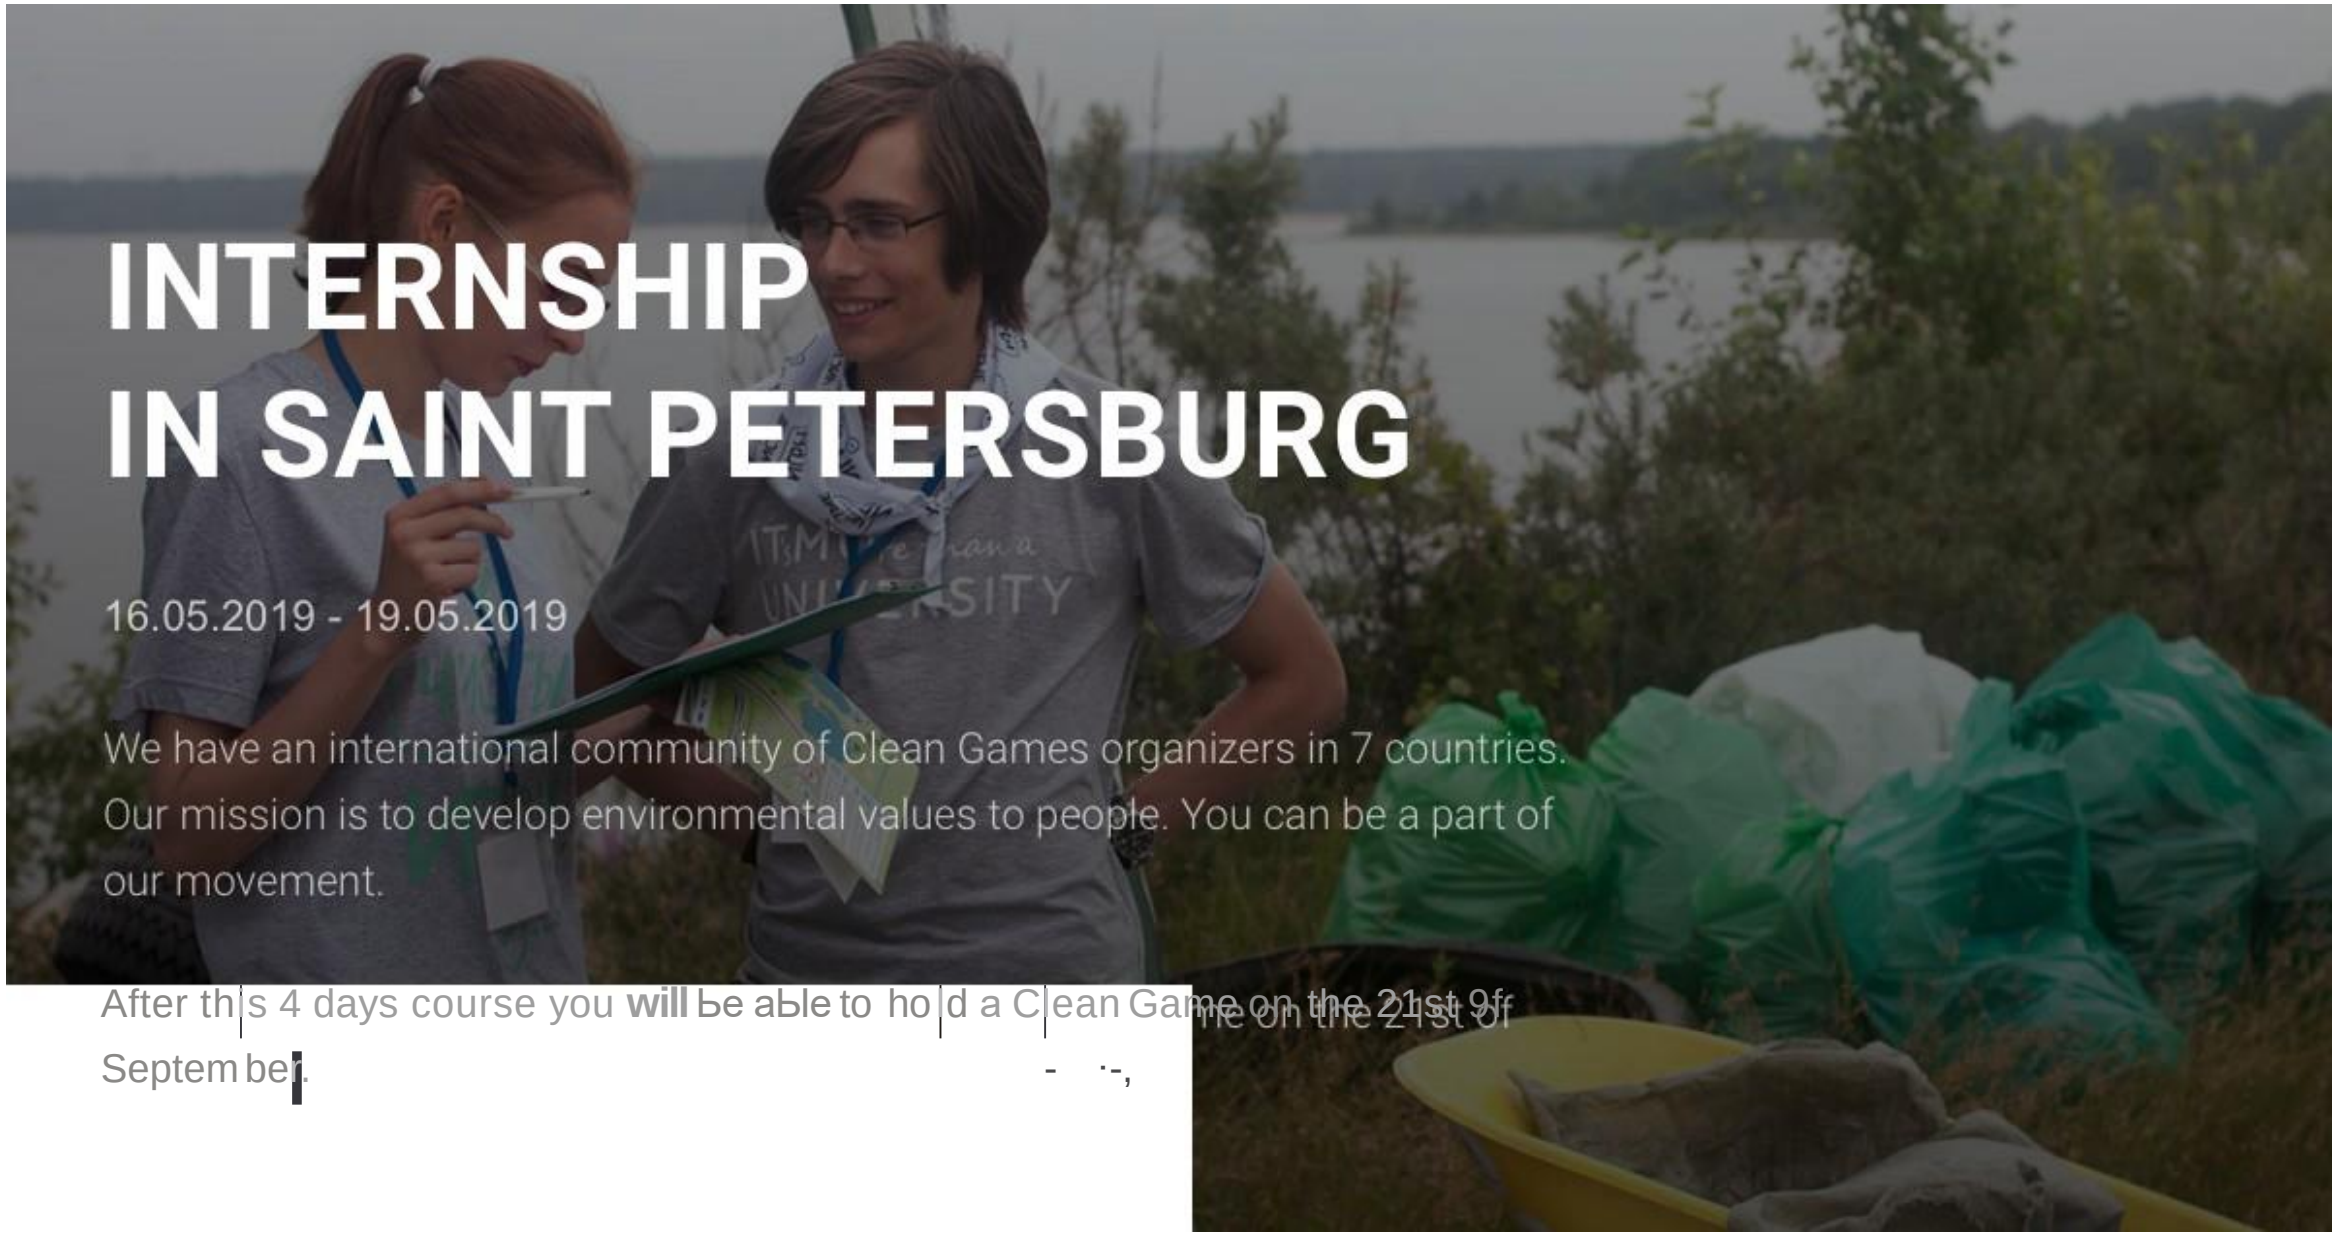
Partner

Union of the Baltic cities (UBC)

- Since 1991, over 100 cities from 10 countries
- Sustainable development of the Baltic Sea region
- One of the first formal institutions established to bolster the Baltic as a cohesive region within Europe.

Partner

- "Let's do it!" organizers (World Cleanup Day)
- 10 years history



INTERNSHIP IN SAINT PETERSBURG

16.05.2019 - 19.05.2019

We have an international community of Clean Games organizers in 7 countries. Our mission is to develop environmental values to people. You can be a part of our movement.

After this 4 days course you will be able to hold a Clean Game on the 21st of September.
