Dear President Mantas Jurgutis,

I am happy to inform you that the city of Palanga, a long-time member of the UBC, would be interested to host the XVII General Conference in the autumn 2023.

Located on the shores of the Baltic Sea, Palanga is a seaside resort town in western Lithuania with well-developed wellness, sports and recreation infrastructure and active cultural life. This resort combines stunning cultural heritage and natural treasures, and it keeps up perfectly with the pace of modern life. Visitors of Palanga are offered a wide range of services that include entertainment, treatment procedures, seaside tourism and excellent accommodation and conference facilities.

We would be honoured to host the UBC family from the cities in the Baltic Sea Region in our beautiful town to support each other, share experiences and discuss the plans for the future.

Sincerely Yours,

Mayor

Šarūnas Vaitkus
