Re: Application to become a Partner of the Union of the Baltic Cities

Dear Sir/Madam,

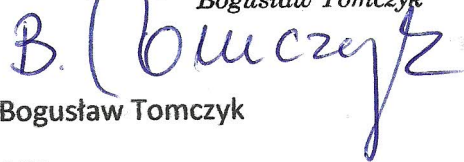

The Foundation Open Door (Fundacja Otwarte Drzwi) from Piła, Poland, would like to apply to become a Partner of the Union of the Baltic Cities.

We declare the will to follow the UBC Statute and the readiness to support the cooperation and integration of cities in the Baltic Sea Region.

PREZES ZARZĄDU

Kind regards,

Bogusław Tomczyk

The Foundation Open Door (Fundacja Otwarte Drzwi)

Among the goals of the Foundation there are:

- protection of health of the population,
- counteracting social pathologies,
- building awareness of a healthy lifestyle,
- active combating unemployment,
- promoting regional artists,
- sightseeing and recreation for children and youth,
- promotion of physical culture and sport,
- mental health protection and promotion,
- social assistance, including help for families and people in a difficult family situation and providing equal opportunities for them.
- actions for the disabled: activities in the field of sport, physical culture and tourism.

The Foundation achieves its goals in particular through:

- repayable or non-repayable financing or co-financing of any initiatives compatible with the goals of the Foundation.
- organizing and initiating activities aimed at improving health, especially of people with oncological diseases.
- cooperation with local government units, institutions for social and economic initiatives,
- supporting programs and projects undertaken by institutions conducting research, science and health, education, charity and voluntary activities.
- financing of awards and scholarships for people who pursue the Foundation's goals.
- disseminating knowledge and the latest scientific and technical achievements.
- organizing various forms of training, including vocational training

And more

The CEO of the Foundation is Bogusław Tomczyk. The Foundation is located in the City of Piła, Poland.
