2

Involve to working groups

3

Youth city council

4

European youth capital

Funding of youth organisations

Priorities for organisations which: develops reasonable partnerships with other organisations or companies; promotes youth social entrepreneurship; involves young people who are not in employment, education or training.

Involvement to working groups

- Working groups for national celebrations
- Working group for improving municipality communications with citizens
- Working group for European youth capital project
- Council of education
- Council of academic life
- Council of NVO
- Regional council
- Commission of experts selection

City youth council

- 14 members: 7 delegated from association of youth organisations and 7 from city council
- Youth council can participate in various working group related with youth issues, represent youth voice in various committees; examine issues related to youth policy in the municipality; make proposals to municipal institutions and bodies regarding youth policy, its implementation and related draft legislation

Youth politic in Klaipeda municipality

- improving the image of Klaipeda youth;
- international cooperation
- implementation of voluntary service

Klaipeda - European youth capital 2021

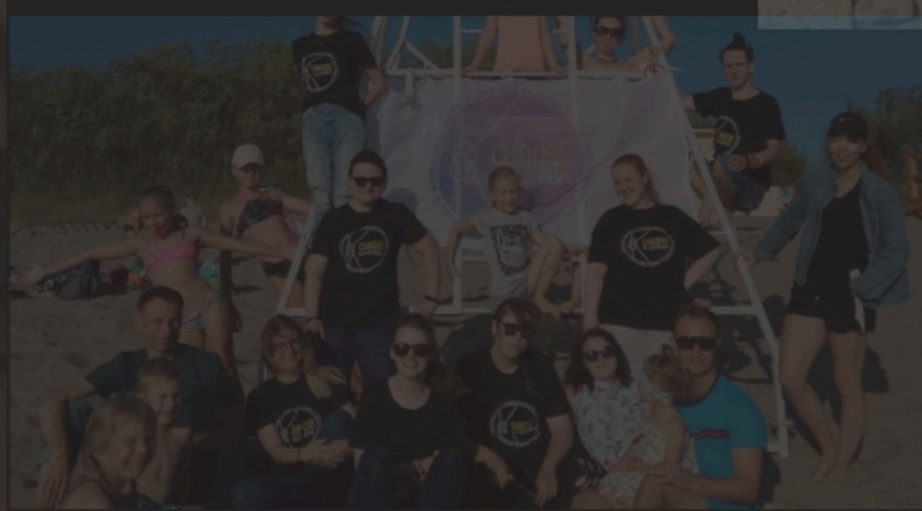

KLAIPEDA-THE CITY OF
DISCOVERED YOUTH
POTENTIAL: AN OPEN,
COOPERATIVE, YOUTH
FRIENDLIEST CITY IN THE
BALTIC SEA REGION

Chooseklaipeda ambassadors

*A team of active young
people who love
Klaipeda. They care and
want to create and
change the city
themselves.*

Thank You

Klaipeda city municipality
