CDP TOOLS &
UBC REPORT

CDP Cities Questionnaire and modules

Connect our tools and services to scoring

Use UBC and CDP Cities as a tool to...

Engage other
city
departments
and agencies

Track your
city's progress
annually and
benchmark
yourself

Compile all
your
environmental
data in one
place

Engage with
peers through
UBC

Access a global network, showcase BSR ambition

UBC joins an ambitious global group of governments, setting bold commitments to lead the transition to sustainable cities.

Receive feedback

- ▼ Private to your city
- ▼ Use to improve your data quality each year
- ▼ Access via dashboard and snapshot report

Completion indicator:

- ▼ Shows the number of questions you have answered

Thoroughness indicator:

- ▼ Measures the quality of your data against key criteria

Benchmark yourself within UBC

.. and outside (e.g. EU)

Explore our Open Data Portal: data.cdp.net

▼ 2017 City-wide Emissions

Why Cities Measure and Disclose

Leadership

Commit to the Compact of Mayors through CDP to showcase your leadership and innovation, using international standards.

Climate action data reported to CDP is showcased on the UN's Non-State Actor Zone for Climate Action (NAZCA) website.

Use CDP cities as a tool to...

Engage other city departments

Track your city's progress annually

Compile all your environmental data in one place

Access to a global network

Join an ambitious global group who are setting bold commitments to act on climate change.

Over 500 cities,
Over 100 states & regions,
Over 5,800 companies
report to CDP.

Engage with businesses

US\$26 bn

the total cost of 720 climate-related projects seeking private sector involvement

64%

of cities are collaborating with businesses on climate action

1,000+

economic opportunities identified by cities

299

cities identified opportunities to develop new business industries

Insights and Analysis

Provides you with all public data

Receive an evaluation of your response

Benchmark your performance against peers

Find areas of opportunity

Climate finance

Understand how major investors are engaging with environmental issues.

Connect to

827 private investors
worth more than
\$100 trillion in assets

Easy to report

Free and voluntary to report

No methodology prescribed

Public or private disclosure

Improve your climate strategy

By reporting to CDP we are able to identify areas where we are need to implement strategies and ensure that adequate plans and actions are developed.

Pietermaritzburg,
South Africa

Disclosure Works

of first-time cities
disclosers have emissions
reduction targets

of second-time cities
disclosers have emissions
reduction targets

of third-time or more
cities disclosers have
emissions reduction targets
