

## UBC Task Force Supporting Youth Employment and Well-Being: Action Plan and Budget 2020

In 2020 UBC Task Force Supporting Youth Employment and Well-Being will concentrate on three major themes, which will be as follows:

- STEAM (Science, Technology, Engineering, Arts, Math) Path for every child and youngster
- Basic Skills or Upgrading Pathways (youngsters with problems with basic skills, such as math, literacy and IT)
- Attractiveness of Vocational Education and Training

The idea behind the new theme-based approach is that concentrating on certain themes would make cooperation and creation of common goals and projects easier.

Activities of the year 2020 include 3-4 study visits and workshops, one Task Force seminar, implementation of new transnational projects in themes mentioned above, continuing the dissemination of good practices and cooperation with other networks and actors.

### Schedule for 2020:

- STEAM BSR study visit and workshop in Tallinn, 11.-12.2.
- Attractiveness of the VET study visit and workshop, May/August (place and time tbc)
- 15.6. Task Force seminar in Turku (themes include STEAM, basic skills and attractiveness of VET)
- 1-2 workshops during the BSR Annual Forum in Turku 16.-17.6. (tbc)
- STEAM BSR second workshop and study visit, September/October (place and time tbc)
- IduEdu Conference in Tallinn in October (TF holds one workshop there)
- Basic Skills study visit, October/November (place and time tbc)

### Other activities:

- collection of good practices
- further development of the web-site
- developing the use of social media in dissemination and development work
- cooperation with other networks, such as School to Work and StartNet
- follow-up for the funding possibilities and creation of the new projects
